The matter above has reference.

Heritage Western Cape is in receipt of your application for the above matter received on 28 April 2020. This matter was discussed at the Heritage Officers meeting held on 4 May 2020.

You are hereby notified that, since there is no reason to believe that the proposed installation of bulk water pipelines, will not impact on heritage resources, no further action under Section 38 of the National Heritage Resources Act (Act 25 of 1999) is required.

However, should any heritage resources, including evidence of graves and human burials, archaeological material and paleontological material be discovered during the execution of the activities above, all works must be stopped immediately and Heritage Western Cape must be notified without delay.

This letter does not exonerate the applicant from obtaining any necessary approval from any other applicable statutory authority.

HWC reserves the right to request additional information as required.

Should you have any further queries, please contact the official above and quote the case number.
