DEA&DP reference number: 14/1/1/E1/9/10/3/0410/17.

The Department of Environmental Affairs & Development Planning, Directorate: Environmental Law Enforcement, issued an Pre-Compliance Notice for the clearance of indigenous vegetation on farm Middelpo No. 296, Piketberg.

The Pre-Compliance Notice was dated 02 June 2017 and was received by the Applicant on 08 June 2017.

The person to whom the Pre-Compliance notice was issued wishes to bring under the attention of the Directorate that the particular 12ha natural vegetation was burnt. After that a heavy piece of iron was towed behind a tractor over the entire area in order to flatten the soil. The soil was not ploughed or further disturbed in any other matter.

The person responsible for the above action wishes to enquire whether the alleged listed activity: Activity 27 of Listing Notice 1 of 2014 (of the National Environmental Management Act, 1998), was triggered by such action.

Your response is appreciated.
