Dear Heloise

As per the above extracts from the registered notice – please register this office/writer as an I & AP

Please acknowledge the receipt of this mail, and confirm such registration has taken place.

I look forward to more information on this project than the simple BID information – alternatively please provide a link to the information, including the rezoning motivation, the basic EIA, and the design documentation.

For the record, I represent the owner of the Farm Wedderwill, as well as various property owners in this Estate, which is accessed by the “Knorhoek Road” (which for the record was built and paid for by these Estates).

All information by e mail to this address please.

Best regards

Derek Chittenden
