Dear Ms Carina Nel

The above listed project bears reference.

I would hereby wish to register as an I&AP for this particular project. I would like to request further information on the RMMP for comments.

The South African National Roads Agency SOC Limited (SANRAL) has received background information for this project and based on the proximity, it appears that SANRAL could be impacted by this development.

If services need to be constructed over or under the national road, (in this case the N1) or within 60m measured from the road reserve fence, the service owner must apply for a written permission from SANRAL, before any work may be carried out. Attached please find an application form for the proposed encroachment.

Do not hesitate to contact the sender should you have any further queries.

I trust that you will find the above in order.

Regards

Nicole Abrahams
