

LOCKDOWN - All you need to know | Wat jy moet weet van INPERKING

Residents urged to stay at home

Beaches, parks, reserves closed

Overstrand Executive Mayor, Dudley Coetzee, addressed an ordinary meeting of the council on Wednesday and outlined the various measures that will be put in place in the Overstrand during the 21-day lockdown.

“During the lockdown, all Overstrand residents will have to stay at home from midnight tonight until midnight on Thursday 16 April. The purpose of the lockdown is for people to stay at home. Individuals will not be allowed to leave their homes except under strictly controlled circumstances, such as to seek medical care, buy food, medicine and other supplies or to collect social grants,” he said.

“Exempt from this lockdown are the health workers in the public and private sectors, emergency personnel, those in security services (such as the police, traffic officers, military medical personnel, soldiers) and other persons necessary to respond to Covid-19.

“It will also include those persons involved in the production, distribution and supply of food and basic goods, essential banking services, the maintenance of power, water and telecommunications services, laboratory services, and those involved in the provision of medical and hygiene products.

“With exception for pharmacies, laboratories, banks, essential financial and payment services – including the Johannesburg Stock Exchange, supermarkets, petrol stations and health care providers, all shops and businesses will be closed. Provision will be made for essential transport services to continue, including transport for essential staff and for patients.

“Overstrand Municipality remains committed to service delivery and all essential services will remain open during the lockdown. The following measures will be implemented:

Refuse removal will continue as per normal collection schedule for the Greater Hermanus and Greater Gansbaai administrations.

In the Hangklip-Kleinmond area, refuse will be collected as follows:

No refuse bags may be left on pavements in baboon problem areas.

All transfer stations and drop-off facilities will be closed.

Several areas in Overstrand are not connected to a sewer network, resulting in many residents being dependent upon the tanker service to remove sewage from their premises. Jog only for short distances, and no mingling!

The question on many people’s minds this week was: will I be able to go for a jog? On Wednesday morning Dr Zweli Mkhize, National Minister of Health, stated on Twitter that it is best to stay at home during the lockdown. “There’s no problem with jogging,

walking the dogs or going to the grocery store during the lockdown,” he said.

“If you go out and jog it must be for a short distance, and no mingling. We don’t want to see crowds. Be responsible about how you manage the lockdown.”
