

22 May 2020

Dear Ms. Adams,

PROPOSED PUBLIC PARTICIPATION PLAN FOR THE PROPOSED MIXED USE DEVELOPMENT ON ERVEN 13480 AND 21128, PAARL

I trust this letter finds you well.

The DEA&DP Circular: DEA&DP No 0012/2020 issued on the 14th of May 2020 with subject “*Permitted EIA and Related Licensing Services and Permitted Supporting Professional Services During COVID-19 Lockdown Alert Level 4*” refers.

Point 18.8 on page 7 refers to measures put in place for the continuation of public participation periods. The application in question has undergone the first public participation period from February 2019 to March 2019. As you know it has taken some time to address the comments received, however the 2nd Draft Basic Assessment Report will be ready for a second commenting round by the end of May 2020. During the first public participation period, all the registered interested and affected parties provided their email addresses. GNEC therefore propose that all registered interested and affected parties be notified of the availability of the second draft BAR via email. The Report and addendums will be made available on our website at www.gnec.co.za for download, and if requested, a WeTransfer file can be sent to any party requesting this method. The commenting period will run for a period of 33 days, from the 29th of May until the 30th of June 2020.

This letter serves as a request for approval of the abovementioned Public Participation Plan. Do not hesitate to contact me should you have any questions or need additional information.

Kind regards,

Euonell Visagie
