To Whom it may concern,

I as owner of Exclusive Access Trading t/a Cottage Stream Farm on Knorhoek estate Portion 10 (830/10) would like to be registered as a I&AP.

My interest in this project not limited to is based on:

1. what happens to Knorhoek Road,
2. what are the effects on the Sir Lowry's Pass River,
3. what does the community gain by accepting this change from Agriculture to high development?

I await my registration.

Thank you and kind regards,

Roy McGregor.
